How to participate via Waves

Step by step instruction

Great you arrived here!

Great you arrived here!

-
- **[1. Go to the Waves website \(https://www.wavesplatform.com\)](https://www.wavesplatform.com)**

(Click the link above. The Waves page opens in a new tabpage)

-
- **2. Obtain a client of your choice**

This is mostly based on your operation system and device

-
- **3. Start the client**

-
- **4. Create a new account**

A wallet seed is given. This is **very important to remember** as this allows the recovery of your wallet.

-
- **5. Enter a name and strong password of your choice and select 'Register'**
-

- **6. Your wallet is now available**

Make sure to create adequate backups for your wallet. You are solely and entirely responsible for this information. Nobody else can gather, recover or restore your wallet information.

- **7. Use the currency of your choice to deposit into your Waves wallet**

If you are already acquainted to the use of Bitcoin you can deposit Bitcoin right into the Waves wallet.

You need at least 0.03 WAVES to place a buy order for CXS tokens. You can gather WAVES by clicking on 'Deposit' under the waves wallet. You can use a credit card or other means of payment provided via IndaCoin, the payment provider backing up the Waves Platform. Alternatively you can also use ShapeShift (<http://www.shapeshift.io>) to convert any of your cryptocurrencies into WAVES.

- **8. Place a buy order**

When you have gathered both WAVES and Bitcoin/Ethereum or FIAT currency in your WAVES wallet you can place a buy order in the Decentralized Exchange of WAVES.

- Select the CXS token on the left field. The address is .
 - Select your currency of choice on the right side.
 - Select the sell order on the left.
 - Enter the amount of CXS tokens and click 'Buy'
 - Your buy order is now active and will be executed within seconds.
-

9. Finish!

Awesome! You have CXS-tokens now! Thank you for your investment and confidence. We will work hard to keep you satisfied. The Blocxs Team.

When the buy order is executed your balance will be updated according to the transactions history within the Waves client app. You can subscribe on the Blocxs newsletter to stay in touch over the Waves Conversion Program which will commence soon after the ICO has closed. This allows you to gather the ERC-20 compliant tokens which are going to be used for the actual Blocxs Ecosystem.

for you convenience print out this checklist with the PDF-link below:
